

GLITTER ROCKS

Tools & Supplies:

- Elmer's glue
- Glitter (varying colors)
- Paint brush
- River rocks (smooth egg size)
- Wax paper

Instructions:

1. Select a rock.
2. Wash rock with soap and water and let dry.
3. Place rock on wax paper.
4. Roll rock in glue or spread on with a paint brush.
5. Sprinkle glitter over rock, covering rock completely with glitter.
6. Let dry for 30 minutes to 2 hours, depending on how thick the glue is.
7. Add a top coat of Elmer's glue.
8. Let rock dry completely.
9. Pour loose glitter back into container.
10. Clean paint brush with water.

Helpful Hints:

1. You can use templates to create pictures.
2. Spread the glue in the template pattern area and repeat the process as outlined above.
